# Highlights

## High power LED

Philips Ledino outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output, high light quality and a long lifespan.

## Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours a day with an amount of at least of 13,000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

## Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Choose outdoor wall lights

Make the most of your outdoor space with this wall light, perfect for mounting close to your front door or on your terrace walls.

## Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.

## Powerful light

This outdoor lamp provides powerful warm white light. A bright pool of light to light up your garden or terrace.

## Modern outdoor lighting

Impressive, bold and minimalist outdoor lighting by Philips. Ledino outdoor's elegant modern style is the perfect way to grace gardens, pathways and outdoor spaces with light.
